

X Annual International Conference

POWER GENERATION 2018

21-22 February 2018
Dubai, UAE
Renaissance Downtown

MAIN TOPICS

- | Global Energy: Key challenges and prospects of global energy development |
 - | Strategies for development of energy companies |
 - | Cooperation in current conditions |
- | Best case studies of modernisation from power generation companies |
 - | Modernisation of power generation capacities |
 - | Infrastructure development and new projects construction |
 - | Intellectualisation and modernisation of power generation sector |
- | New export technologies and import substitution technologies for alternative energy sector |
 - | Capital construction of green energy projects |
 - | Review of successful projects in solar and wind energy sector |
 - | Global projects in energy efficiency |
 - | Security strategies for power generation objects |
 - | Main trends in digitalisation of power generation sector |

SPEAKERS AND PANELISTS

CONFIRMED SPEAKERS

Pavel Snikkars*
Director of the Department
for the Development
of Electric Power Industry
**Ministry of Energy
of the Russian Federation**

Alexander Chuvaev
Executive Vice-President
Fortum

Rauzil Khaziev
CEO
Tatenergo

Almasadam Satkaliev
Chairman of the Board
Samruk-Energy

Alexander Korchagin
CEO
NovaWind

Timur Lipatov
CEO
Inter RAO — Electric Power Plants

Igor Ageychev
First Deputy General Director
En+ Development

Alexander Starchenko
Chairman of the Supervisory Board
Energy Consumers Association

Ulf Backmeyer
Chief Financial Officer, Member
of the Board of Management
Unipro

Yuriy Eroshin
Vice-President for Portfolio
Management and Trading
Fortum

Svetlana Nikonova
Deputy CEO
Quadra - Power Generation

Igor Bryzgunov
Chairman
**Russian Association of
Wind Power Industry**

Mikhail Molchanov
CEO
Solar Systems

Emin Askerov
Deputy CEO - Director
for Development
and International Business
United Heat Power Company

Parviz Abdushukurov
Vice President for Thermal Business,
Deputy General Director
for Operations, Chief Engineer
Fortum

Alexander Vilesov
Director for Economics
and Heat Stations
T Plus

Maksim Zagornov
President
**Distributed Power
Generation Association**

INVITED SPEAKERS

Denis Fedorov
CEO
Gazprom Energoholding

Mikhail Kuznetsov
CEO
Siberian Generating Company

Vyacheslav Solomin
CEO
EUROSIBENERGO

09:00 | Registration
10:00 | Opening Address

DEVELOPMENT STRATEGIES

| Moderator:

10:10 | Prospects of development of Russian electric power industry*
Pavel Snikkars*

Director of the Department for the Development of Electric Power Industry
Ministry of Energy of the Russian Federation

10:30 | Global Energy: Key challenges and prospects of global energy development

Alexander Chuvaev
Executive Vice-President
Fortum

10:50 | The main challenges and prospects for the development of the electric power industry in the Republic of Kazakhstan *

Almasadam Satkaliev
Chairman of the Board
Samruk-Energy

11:10 | *topic to be confirmed**

Rauzil Khaziev
CEO
Tatenergo

11:30 | Coffee

12:00 | Strategies for development of energy companies

Alexander Korchagin
CEO
NovaWind

12:20 | Effective cooperation in current conditions

12:40 | Intellectual asset management in power generation sector

13:00 | PANEL DISCUSSION STRATEGIC DEVELOPMENT OF POWER ENERGY COMPANIES IN MODERN CONDITIONS

Participants:

Alexander Chuvaev, Fortum
Rauzil Khaziev, Tatenergo
Almasadam Satkaliev, Samruk-Energy
Alexander Korchagin, NovaWind

13:30 | Lunch

INVESTMENT MECHANISMS AND MODERNISATION PROGRAMMES FOR POWER GENERATION SECTOR

| Moderator:

Timur Lipatov, Inter RAO — Electric Power Plants

14:30 | New financial possibilities for modernisation programmes

Igor Ageychev
First Deputy General Director
En+ Development

14:50 | Energy transition - quo vadis?

Alexander Starchenko
Chairman of the Supervisory Board
Energy Consumers Association

15:10 | Review of financial mechanisms and tools for new projects construction

Ulf Backmeyer
Chief Financial Officer, Member of the Board of Management
Unipro

15:30 | Export of technologies and import substitution for power sector:
search for a sustainable balance

16:00 | Coffee

16:30 | Optimisation of investment portfolio

Yuriy Eroshin
Vice-President for Portfolio Management and Trading
Fortum

16:50 | Intellectualisation and modernisation of power generation sector.
Main trends in digitalisation.

17:10 | Tools and technical mechanisms for equipment modernisation

17:30 | PANEL DISCUSSION INVESTING AND FINANCING IN CURRENT CONDITIONS

Moderator:

Participants:

Timur Lipatov, Inter RAO — Electric Power Plants
Ulf Backmeyer, Unipro
Yuriy Eroshin, Fortum
Svetlana Nikonova, Quadra - Power Generation
Igor Ageychev, En+ Development
Alexander Starchenko, Energy Consumers Association

18:00 | Close of Day 1

09:00 | Registration

10:00 | Opening Address from the Chairman

RENEWABLE ENERGY

10:10 | Wind power market in Russia. Current situation, prospects, challenges

Igor Bryzgunov

Chairman

Russian Association of Wind Power Industry

10:30 | Wind energy as a key element for strategy development

Emin Askerov

Deputy CEO - Director for Development and International Business

United Heat Power Company (OTEK)

10:50 | Solar energy as a key element for strategy development

Mikhail Molchanov

CEO

Solar Systems

11:10 | Financing of renewable energy projects

11:30 | Coffee

12:00 | Capital construction for renewable energy projects

12:20 | Global projects in the direction of energy saving and energy efficiency

12:40 | PANEL DISCUSSION REVIEW OF NEW SYSTEMS AND PROGRAMMES FOR RENEWABLE ENERGY DEVELOPMENT

Moderator:

Participants:

Igor Bryzgunov, Russian Association of Wind Power Industry

Emin Askerov, United Heat Power Company (OTEK)

Mikhail Molchanov, Solar Systems

13:30 | Lunch

| ORGANISATION OF 1-2-1 MEETINGS

During the second day, participants will have the opportunity to organise individual meetings in the negotiation room

Meetings are possible with the prior agreement of both parties and the organiser

HEAT POWER GENERATION

14:30 | Heat supply: operation under new conditions

Parviz Abdushukurov

Vice President for Thermal Business, Deputy General Director for Operations, Chief Engineer

Fortum

14:50 | Modernisation and reconstruction of thermal stations

Alexander Vilesov

Director for Economics and Heat Stations

T Plus

15:10 | Transition to a new model of the heat market

15:30 | PANEL DISCUSSION REVIEW OF THE MOST EFFECTIVE SECURITY SYSTEMS IN POWER GENERATION SECTOR

Participants:

Parviz Abdushukurov, Fortum

Alexander Vilesov, T Plus

16:00 | Coffee

16:00 | Close of the conference

18:00 | GALA DINNER

Details will be announced closer to the date of the event
